

2025 **AUGUST**

NEWS LETTER

Hello from sunny Southern California! August has arrived, bringing with it the peak of summer heat and light. It's the perfect backdrop to talk about what we know best: vibrant, crystal-clear visuals that can outshine even the brightest day. Let's embrace the heat and make it a brilliant month!

PRODUCT SPOTLIGHT

Choosing the **Right Kiosk** Touchscreen Monitor

O Series (Open Frame)

- ▣ Built with a durable metal chassis, the O series offers a versatile fit for most kiosk applications.
- ▣ PCAP 10-point multi-touch

K Series (Kiosk/Bracket)

- ▣ Fully customizable with a range of touch controllers
- ▣ Resistive touch

R Series (Rear Mount)

- ▣ Engineered for a perfectly flush, "zero-bezel" appearance with no visible frame.
- ▣ PCAP 10-point multi-touch

Gvision's core strength lies in our ability as an OEM to create fully customized touchscreen solutions. Whether you need a unique screen size from 8" to 65", specialized inputs, IP rating, or private labeling with your branding, we can build the perfect solution for your project. Contact us to turn your vision into reality.
