

# S37AE Series

1920x540 Resolution / 700 Nits Brightness / TAA Compliant

37"

Model Name:

- S37AE-OV-400G
- S37AE-OV-400T

## // DESCRIPTIONS

Gvision's stretched bar monitor is perfectly suited for digital signage, commercial advertisements, and menu boards. With a stretched bar output aspect ratio of 32:9 wide, it offers optimal visual display. Featuring energy-efficient technology and ultra-bright LED backlights boasting 700 nits, your message will stand out in any environment. Whether mounted in portrait or landscape modes, the stretched bar monitor offers flexibility, utilizing standard VESA mounting options.

The S37AE monitor is designed specifically for rugged environments that require commercial-grade monitors to operate continuously, 24/7.

## // KEY FEATURES
