

## FOLDABLE LED VIDEO WALL

### Effortless Mobility

Designed for seamless transportation, fits perfectly in standard elevators with its rollable transport case.

### Ready in 2 Minutes

The built-in motorized lift stores up to 3 height presets, controlled via a front-facing button for effortless adjustments.

### Plug & Play

Easily connect via USB for a hassle-free experience. Built-in Android OS supports multi-device compatibility.

*\*\*Optional WIFI*

### ABOUT PRODUCT

The 135" 1080p all-in-one foldable LED monitor offers hassle-free transportation and easy maintenance, making it perfect for events, exhibitions, and more. Its pre-assembled structure and integrated motorized height-adjustment stand allow for a quick and effortless setup in just minutes.

### SMART SPLICING

Expand the screen size by connecting two foldable video walls side by side for a wider display. It supports Picture-by-Picture and Picture-in-Picture modes.
