How It Works

ENROLL & PURCHASE

Make qualifying purchases for your chosen product line.

12-MONTH CYCLE

Your purchase volume is tracked over a rolling 12-month period.

EARN REBATES

Automatically receive account credits as your total purchases reach new reward tiers.

BUILD TOWARD YOUR NEXT REWARD

Turn consistent purchasing into real savings with GVision's **Frequent Buyer Program**.

All qualifying sales orders are tracked cumulatively over a 12-month period.

Once your total purchase volume hits the next tier, you automatically earn a rebate. Rebates are issued as **Accounts Receivable (AR) credits**, which can be applied to future orders.
